

TAYLOR MADE SOLUTIONS are developing their range of work based Qualifications and are looking to build relationships with other providers.

We have an experienced team who can deliver a wide range of Apprenticeships including Management (from level 2 to level 7), Business Administration, and Customer service, ITQ, Retail, Warehousing and Storage along with bespoke Training packages to help within the management and leadership of change in this current challenging economic climate.

We are also looking to sub-contract or help other providers meet their contract requirements so please contact Elaine Roberts or visit <http://taylormadesolutions.org/>
